MESSAGE APPLICATION Guide

Start with an icebreaker question to get everyone talking, then choose the questions that work best for your group.

Jesus and WE Week 4

ICE-BREAKER:

What do you like about our church that you could share with others this week? Have you considered inviting them to worship, Easter at The Point, or this group?

DISCUSS:

What brought you to the church the first time? Have you considered how your influence/invitation might impact the spiritual future of someone you know?

What behaviors do you need to consider if you hope to increase your love for people without Christ?

READ: *“But when the teachers of religious law who were Pharisees saw him eating with tax collectors and other sinners, they asked his disciples, ‘Why does he eat with such scum?’ When Jesus heard this, he told them, ‘Healthy people don’t need a doctor—sick people do. I have come to call not those who think they are righteous, but those who know they are sinners.’”* – **Mark 2-16-17 (NLT)**

Jesus ate with sinners. What are some ways we can get more involved in the lives of people we know who are far from Christ?

Is the workplace off-limits? Talk about how you feel like your faith could play a bigger part in your work relationships?

APPLICATION:

What have been obstacles for you in the past for not being more passionate about reaching others for Christ?

How could you start a spiritual dialog with an extended family member or long-time friend who you haven’t shared Jesus with before? When will you do it?
